

# Quadra Kids Summer Program 2019

Quadra Children's Centre  
980 West Road  
Quathiaski Cove, B.C.  
250-285-3511

Summer Hours: Friday, June 28 – Friday, August 30th  
Monday through Friday  
7:30am – 6pm

## Programming

Each week of the summer, we will provide special activities around a specific focus. These activities at times will include members of the community who are willing to share their time and skills with us. Having a weekly, rather than daily focus will allow for a more flexible program, responsive to the children's interests. It will also enable us to explore each type of activity more fully, and these can be revisited and continued at any time during the rest of the summer.

As always, other individual interests will be supported with a variety of materials and the teachers' assistance, if needed. In addition to these, there will be ample opportunity for the children to simply relax, play and enjoy each other's company.

Something new to our summer program this year will be Friday morning baking, we will see what nummy delights the kids come up with. A fun way to treat ourselves at the end of a busy week!
